

Title: More silly blues in black and white

Source: unknown

- Ghana is to change over to driving on the right. The change will take place gradually.
- As an experiment in night traffic control, the white-coated gendarme at the Place de l' Alma in Paris is now being floodlit, to ensure that motorists will not miss him in the dark.
- The Highways Committee chairman said: "We intend to take the road through the cemetery provided we can get permission from the various bodies concerned."
- A few moments after the Countess had broken the traditional bottle of champagne on the bows of the noble ship, she slid slowly and gracefully down the slipway, entering the water with scarcely a splash.
- When the baby is done drinking it must be unscrewed and laid in a cool place under a tap. If the baby does not thrive on fresh milk it should be boiled.
- If you invested in our course *How to Fly Solo in Six Easy Lessons*, we apologise for any inconvenience caused by our failure to include the last chapter, *How to Land your Plane Safely*. Send us your name and address and we will send it post-haste.
- From a Swiss resort prospectus: This place is the preferred resort for those wanting solitude. People searching for such solitude are flocking here from all corners of the globe.

And a couple of true stories from *The Best of Shrdlu*:

- Corned beef was sent to a school canteen. Teachers sniffed it and did not like it. A canteen manageress sniffed it and pronounced it good; the local sanitary inspector sniffed it and passed it as good; the town medical officer sniffed it and declared it good – but then ordered it to be destroyed because too many people had sniffed it!
- After eight years searching the parish registry for a name to match the initials HWP on a stone slab in his church, the Rev Philip Randall has solved the mystery. The initials stand for Hot Water Pipe.
